Fatale: How French Women Do It peeks at the mysterious ways Frenchwomen manage to appear sexy, smart and reckly chic. Clues unmask the delicious deceptions plotted by Frenchwomen while suggesting how contemporary women can flirt like a coquette, charm like a courtesan and emit sensuality with cool confidence by merely adjusting one's attitude and one's garter belt. For those who savor French finesse and style, this book serves up ons and advice to feast upon from historical and present-day femme fatales.
