[Presidential Plunder: The Quest for the Marcos Ill-Gotten Wealth.epub](#)

A detailed account of the history of the ill-gotten wealth of the regime of Ferdinand Marcos, who was the Philippine dictator from 1972-1986. Based on primary accounts and documents collated by Presidential Commission on Good Government (PCGG), Salonga discusses the story of tracing the offshore accounts, properties and assets held by Marcos, his family and his business associates and attempts by the Philippine Government in recovering these assets totaling to an estimated \$10 billion.
