Determined to escape her abusive father and drunken mother, Lexi Johnson turns to the blade to numb her pain, but it isn't enough to end her misery. She's convinced that not even God could save her now. Roxy Taylor is the new girl in town, and Lexi doesn't trust her, especially when she teams up with DJ Tucker to try and break down the barriers that Lexi has put in place. Little does Lexi know, there are greater forces battling for her life, and as Lexi begins to open up to both Roxy and DJ, she'll see that she isn't alone in this world. In the heart-pounding sequel to *Entertaining Angels*, everyone's favorite angel, Zach Taylor, is back, and he's there to make sure that Madison and Chase Sanders are on the path that God has chosen for them, a path that could deliver Lexi from the demons who want her soul.
