If you're waiting to live abundantly until the house is tidy, your kids are clean and well behaved, and you have plenty of free time to pursue a glamorous hobby, you may be waiting awhile. However, you don't have to wait for things to settle down to live the good life, because motherhood—with all its chaos—is the abundance God promised. In *Chaotic Joy*, you will discover how to experience abundant life in the midst of the madness and mess. Find out what's keeping you from the joy and satisfaction you dreamed being a mom would bring, and learn how to recognize God's hand of blessing even through count diaper changes, toddler meltdowns, and thousands of important tasks that clamor for your attention. Motherhood can be chaotic, for sure. But it's meant to be so much more.
