Danger awaits her around every corner, and he knew this day would come. A half tank up the mountains, Big Bear winters are isolating for heiress Bayliss Jones. Circled by the same cult that murdered her parents fifteen years before, death awaits her around every corner. Her shirttail relative and trustee of her estate, Sheriff Byron McGill, never agreed with local hearsay that made her a suspect. Air crackles between two people who clash, but the spoiled princess needs his help. Besides hers, the life of a young man, her secret baby, hangs in the balance.

There's no time for error.
