Giving your family the gift of faith and the promise of a thriving relationship with God is every parents most important job! God has given us His Word so that we might know Him, His character, His plans and purposes for us, and His love for us. He has also given us this amazing book of books to show us how He used ordinary men and women, who were not perfect, to tell others about Jesus. This short guide is intended to help all families begin their relationship with Christ in as little as 10 minutes per day! Hopefully, after getting started, you will want to expand that time to more minutes each and every day! The real key is just getting started and making that commitment to set aside the time for God. I know that life with small children is never really quiet. That's why I designed this book for families to complete each on in as little as 10 minutes per day. Each verse contains an important theme and a series of discussion questions for parents to ask their kids and vice-versa. By utilizing the spiritual resources of prayer and God's Word along with translations, dictionaries and concordances, your daily study will help you to grow in wisdom and understanding. Not only will God reveal his character to you, but he will begin to reveal his will for your life and his plans for his creations. Are you ready? Let's begin!
