The Chaos of Longing is a brutally honest exploration of desire—physical, emotional, and spiritual. This revised and expanded edition contains over 50 pages of all-new material. Organized in four sections – Inception, Longing, Chaos, and Epiphany – K.Y. Robinson's debut poetry collection explores what it is to want in spite of trauma, shame, injustice, and mental illness. It is one survivor's powerful testimony, and a love letter "to those who lie awake burning."
