The Alphas of Storm Isle series features steaming alpha bear shifters, powerful billionaire businessmen, and steamy menage romance.

Be sure to turn the AC up! Dane MacAlister He's demanding. He's controlling. And worst of all, he's devastatingly handsome. Working as Dane's personal assistant is no easy task. The curvy Ginger Graham does her best to fight her attraction for her billionaire boss and remain professional, while Dane struggles with his own secrets. A bear lurks inside of him, and he has to work extra hard to keep his animal instincts at bay around his attractive assistant. Ginger hardly knows what she's in for when she's invited to his home on Storm Isle...

Alphas of Storm Isle is a scorching five-part serial (like a TV show).

It features steaming alpha bear shifters, powerful billionaire businessmen, and steamy menage romance.

Be sure to start with Book 1, Courting Rivals!.
