"Mastering your life and relationships!" is what author Ken Donaldson says about this book and the entirety of what his coaching, counseling and educational practice stands for. This book is for those who are tired of relationships that haven't worked and for those who want to live and love the life they were meant to have. In this breakthrough book, author, psychotherapist and relationship coach Ken Donaldson helps each reader discover all the strategies they need to create lasting relationships and live a life of passion, power and purpose! This material in this book is a result of Donaldson's 15+ years of clinical psychotherapy and coaching with thousands of individuals and couples.

In this book, he reveals what he has discovered as the 20 Core Principles of Passion, Power and Purpose. When these principles are applied to anyone's life they can overcome self-limiting patterns and create more happiness, fulfillment and success in their life and relationships.

In addition, Donaldson is the only known relationship specialist that offers the purchasers of this book an opportunity for free coaching and educational programs to support and promote their optimal growth and success.
