A secret world under the Simiens, A witch bent on a terrible revenge, Beset by troubles on all sides, the very future of Sheba is threatened.

Wounded. Staked out as lion-bait. Hunted for her powers, Shioni scours the mountains for the secret Valley of the Giants, and a way back to the tunnels of Fiuriel. Can she uncover these enigmas, plumbing the hidden worlds beneath the Simiens before Kalcha's mighty Hyenas and the Nubian army destroy the Kingdom of Sheba, and all Shioni loves? For an orphan girl of unknown heritage, the stakes have never been higher. Released from slavery into service as a young warrior of Sheba, Shioni must race against time to discover her own secrets before Kalcha releases Belshalar, the great dragon of the Simiens. Deep secrets, high adventure and astonishing revelations lurk in the Night of the Hyenas. Will Shioni win the day with the courage and integrity of her heart?
