For Steve Madden, Brighton is no longer beaches, fish and chips, and amusement arcades. It's also a place of murder. Estranged from his son and grappling with the jealousy that comes from watching his ex-wife getting closer to another man, his world is thrown into turmoil when he's called to investigate a particularly savage murder. But there's something else—something that will change his life forever. Dragged into the twilight world of clubs, drugs, and prostitution, Steve is about to discover that being a Detective Inspector in a seaside community is far more dangerous than he could have ever imagined.
