A bombshell stylist who's more than she seems Stella's a kick-ass stylist who takes no prisoners, in or out of bed. For her latest mission with the Corrigan & Co. Foundation, she agrees to investigate blackmail threats against a member of the boy band her mother works for. Blackmail she can handle, but falling for the sexy young boy bander will cause her to risk everything—and everyone—she cares about. A boy band singer who wants to make the bombshell his own Kace Reynolds may be young, but he knows what he wants. To sing without being singled out.

To figure out who's blackmailing him. And to convince Stella that he's serious about wanting to be with her. But blackmail isn't always what it seems, and he's going to have to choose between being exposed and keeping the woman he loves.

Bombshells are falling left and right, but will the biggest SECRET of all rock them both too hard?
