You can shape your child's character for life, if you do so on purpose with a plan. This calendar-sized chart is just what you need to get started! It includes 24 golden attitudes and actions listed in alphabetical order for easy reference. Each trait includes a related Bible verse, an easy-to-understand definition and ideas to model the traits in your everyday life. Designed for families on-the-go, this chart will help you learn and live God's Word with your kids as you make character count in your home! Each chart includes: 24 character traits
Related Bible verses for each trait
Easy-to-understand definitions
Creative and easy ideas to live out what you learn
Lists of traits that represent the "dirt" that buries the gold and Bible verses for correction
