The national bestselling mistress of erotica returns to the fantasy world of Captive Dreams--and she's raising the temperature even more. Danae Livingston is an author of scorching tales about a fantasy realm inhabited by her favorite hero, Aleksiy. Now an obsessed fan wants her to rewrite her novels to his own twisted liking and have the legendary villain win. Little does she realize, but Aleksiy is more real than she dreamed, and he's the only one who can save her as fantasy and reality merge, swords and sorcery cross, and the sensual world of her vivid imagination becomes the most impossible one of all to resist?or escape.
