Kre and Kaihlia have returned for even more action, passion and drama than before! With Kre struggling to deal with the loss of his brother, he is forced to grow up faster than he ever imagined. Kaihlia is by his side as the two of them go through all types of struggles, difficulties, heartbreaks and a minor setback - which sets them up for a major comeback! In the end, they will both have to decide if their loyalty to one another is strong enough to weather the storm, or if greed and envy will lead them both down a path of destruction and violence! The fakes are gone and the real ones are back for the ride, once again proving that it is Loyalty Over Everything Else!
