How Do You Build a Meaningful Life? More than just a book of quotations, this book is a fusion of great thinking from classical to contemporary, from philosophical to poetic. It is a concert of voices, harmoniously blended by Jason Merchev and his thought-provoking essays. It will stimulate your thinking, energize your spirit, and deepen your understanding of human nature. It presents progressive ideals at their best - humane, humanistic, and high-minded. Consider it your shaman, your oracle, your foundation, your blueprint for truly building a life of value. With these ideas we can improve ourselves, our planet, and our future.
