I was sentenced to be Mated My name is Olwen Grey, and this is my story. The story of how an Omega like me, here on Alpha World, got into trouble after a petty theft – and the rather unexpected outcome of my crime. Because the Alpha Judge who handled my case decided on claiming me as his mate. I'd always dreamed of being claimed by an Alpha, and now it was really happening ... Mated by an Alpha judge is a 5000 word erotic short set on a world where Alphas claim their mates and Omegas lust after them, a world where anything can happen and sometimes does. Due to some explicit MM scenes, this book is suitable only for those aged eighteen and over. You have been warned.
