He wants her caught. She just wants him. Ex-army ranger Jonathon Reece needs to prove himself with his new job at Lazarus Security.

And his first big assignment is to hunt down a fugitive wanted for murder. But his cut-and-dried case suddenly gets a lot juicier—and way more complicated—when the fugitive in question is a scorchin'-hot gal who won't take "you're under arrest" for an answer! Normally, Mara Findlay would be delighted to have a nice piece of man like Jon hot on her tail—on the road and in bed! But having been framed for murder and eluding authorities (even sexy ones!) is taking its toll.

Worse still, it looks like the only way out of this mess is by teaming up with the one man determined to haul her in. Un she can exploit his one weakness...her!
