When a romantic relationship is torn apart, it can wreak havoc in the lives and emotions of everyone involved. The pain is all the worse if you were not the one who wanted the relationship to end. You may wonder, “Will the ache in my heart ever go away?” The answer, says Lou Priolo, is yes. You can find relief even when you feel forsaken, because true healing comes from the One who will never forsake you. If you are hurting after a broken relationship, here is much-needed counsel and biblical guidance to lead you away from heartache and into a healthier, happier, and holier relationship with Christ. “A masterful job of applying God’s Word to the anger and agony that flow from broken relationships.” —Ken Sande, president, Peacemaker Ministries “If someone you love has abandoned you, [here] you can find helpful biblical suggestions for dealing with the anger, hurt, bitterness, and sense of loss.” —Ed Bulkley, president, International Association of Biblical Counselors “Copies of this book should be in every counselor’s toolbox.” —Jay E.

Adams, author, Christ and Your Problems “A book about a problem that no one wants to acknowledge exists. . . . Thoroughly biblical, thoughtfully practical, Christ-honoring.” —Elyse Fitzpatrick, author, Idols of the Heart “[Lou] writes in an engaging style that blends just the right amount of humor with the unapologetic proclamation of God’s Word.” —James MacDonald, senior pastor, Harvest Bible Chapel Lou Priolo is the

director of the Center for Biblical Counseling at Eastwood Presbyterian Church in Montgomery, Alabama.

Lou has been a full-time biblical counselor and instructor for more than twenty years and is a fellow of the National Association of Nouthetic Counselors.
