This essential reference for fly tyers has sold 350,000 copies since original publication in 1979, including sales of the second edition, issued in 1994. This reprint of the second edition will assure the continued availability of this classic handbook for years to come. The Universal Fly Tying Guide features full-color pages of fly tying instructions throughout, and over 150 selected fly patterns. Dick Stewart is the former editor of American Angler magazine and is the author or co-author of eight other books about fly tying and fly fishing. He lives in Eaton, NH.
