Book Description Publication Date: October 2003 Los Angeles-For five hundred years, the women in Claudia Lambert's family have studied men and passed their wisdom from mother to daughter. Disdainful of men, Claudia's daughter has refused her inheritance and now Claudia's greatest fear is that she will die without sharing the "keys to the kingdom." Acting on her husband's suggestion, Claudia thinks Karen Trevini might prove a worthy student. Sharing her esoteric knowledge poses a risk, but the opportunity to save Karen's 19-year marriage convinces Claudia to take this chance.
