A new adult romance that will leave you Starstruck Fiona had escaped Blakely, her tiny hometown in Indiana. Now she's escaping Hollywood and the star studded life that came with being best friends with Rachel and Hollywood heartthrob Luke Pierce. More importantly she was leaving behind her boyfriend Colin and their fast life of partying. Fiona was moving to New York for a fresh start as an actress in theatre. Fiona's fresh start means sharing a small apartment with Jen and working in a coffee shop. Fiona gets her first break when director Boone hires her for a supporting role on Broadway. What happens when Colin comes crashing into her life on opening night? Will Boone become more than a friend to Fiona as she goes through one of the hardest experiences life can offer? This is the third book in the Starstruck Series. This book can be read as a stand alone book. Starstruck will take you through the gamut of wonderful emotions as Fiona struggles with the challenges of love and life.
