“EARTHINGS ON FIRE” part three! The moment SUICIDE SQUAD has been building to from the beginning is here! The Suicide Squad has everything they want. Deadshot is reunited with his daughter.

Harley Quinn and Rick Flag’s mutual attraction is becoming a true romance. And Amanda Waller has defeated all her enemies. Or has she? Sitting in a Belle Reve prison cell is the biggest gamble the Wall has ever played, and it’s one for which the entire world will pay.
