She's the youngest fae to ever be made Dark Lady, the highest ranking Unseelie female. And she hates everything about her court... He's a prince of the Seelie, a cast off of the Queen. A royal fae bound to a court that has never felt like home... When Maribelle and Tristin go to Savannah to investigate the string of murders pointing at the local fae, the attraction that has been simmering between them will finally bubble over. But there's a reason opposing royals are forbidden to fall in love. And when they do, nothing in Faery will ever be the same... An exciting NA paranormal romance.
