What she needs is a hero. What he needs is her. Chase Hart is an ex-Navy SEAL who runs high end security detail and covert Government operations with the CIA.

When his brother, divorce attorney Matt, calls with a special request, he takes the job—no questions asked. Melissa O'Keefe is done living under the tyrannical rule of her husband, real estate billionaire, Henry O'Keefe.

She's prepared to take their young son and build a new life. But when Henry conspires to have her killed—she finds herself caught in a dangerous game of cat and mouse, with her survival—and her son's—at stake. Chase has protected a lot of beautiful women in his lifetime, but what he doesn't count on is falling in love with the woman he's protecting now. And Melissa has a secret that will change their life forever. This is the first book in the three part series, On The Run, and goes along with the Military Fighter Pilot stories of Boomer - The Elite and Player - The Elite, from the sleepy small beach town Holiday Cove.
