Following her hilarious bestselling volume of humorous reflections on life, love, and whatever (*Sometimes I Feel Like a Nut*), Jill Kargman makes a triumphant return to the world of fiction with *The Rock Star in Seat 3A*. The author of *The Ex-Mrs Hedgefund*, *Arm Candy*, and *Momzillas* delights with this smart and sassy modern-day fairy tale romance...with a twist. The story of a woman whose most cherished romantic fantasy comes true—at the possible expense of everything else in her life—when she finds herself seated right next to a rock 'n' roll demigod on a business flight from New York to Los Angeles, *The Rock Star in Seat 3A* is fresh, funny, and outrageously entertaining women's fiction that will strike a loud power chord with fans of Lauren Weisberger and Jennifer Weiner.
