The Complete run of the EC comic book SHOCK SUSPENSTORIES reprinted from the original artwork in glorious b&w (with full cover glossy cover inserts) along with all related ads, letters page, text pieces, etc. into three hardcover volumes stored in a handsome slipcover. The stories, and stark black-and-white artwork by Johnny Craig, Wally Wood, Jack Davis, Al Felstein, et. al. are superb. They date from 1952 to 1955.
