[Easy-As Recipes: Gluten Free Cookies & Muffins Cookbook \(Easy-As Gluten Free Recipes\).epub](#)

Another cookbook in the Nicole Hayes collection of mouth-watering recipes for those with a wheat/gluten intolerance. These easy to bake gluten free cookies are just as delicious as other home-made cookies and will prevent gastric and intestinal problems related to problems with gluten, and will also save money and add variety to your diet. These delicious gluten free wheat free recipes will last you a long time, although the individual cookies may not last so long, even if you store them in an air tight tin – un you have a very good hiding place. In almost every case lots of variations are of course possible. Enjoy and enjoy again.
